REPUBLIC OF
RURITANIA

STRELSAU

NOVEMBER 15TH 2021

HIGHLY HONORABLE STUDENT

The Ministry of Higher Education, by decree of 30th February 2021, has decided to establish a new University for Business and Social Sciences. The primary objective is to further democratic processes in business, administration and politics.

I have the honor to cordially invite you and your fellow students to partake in the preparation of guidelines for participation and representation of students in the organization of this university.

Sincerely yours

IOAN DOE

Ioan Doe
Organizing committee
The Ministry of Higher Education

➤ For further guidelines please see reverse.

Your assigned task is to

A. Foundations:

- Define the role of students, their interests and obligations.
- Present arguments for and against student inclusion in democratic processes.
- Formulate a clause of intention to be included in the university's founding document

B. Implementation: Submit propositions for

- Structure / Organization chart
- Building a common culture and identity
- Building inclusive social arenas and services
- Student representation in boards and committees

What is most important here and why?
