

“Trust is good, control is better” Vladimir Lenin

Your country now is under control of a new regime.

The new leader does not believe in democracy but prefers authoritarian rule.

You are invited to contribute to the restructuring of organizations and society.

By Thursday 20:00 sharp you have to come up with a proposition outlining how to

- reduce trust between citizens
- reduce social capital in society
- build hierarchical organizations
- ensure control of organizations
- ensure control of public opinion

By provisional law of 29. February 2022

The High Commissioner of the Committee for Education
